JOB TITLE: **Nurse Student Assigned-LPN**

Position Type: <b>Certified</b>	Department: <b>Student Support Services</b>
Salary Schedule: <b>Other Professional</b>	Reports to: <b>Director of Student Support Services</b>
Salary Range: <b>1</b>	
Term of Employment: <b>9 months</b>	Date: <b>April 16, 2021</b>
Shift: <b>Day</b>	Approved by: <b>Human Resources</b>

### **POSITION SUMMARY:**

To work in a partnership with students, staff, parents and the community in accordance with the district's vision and mission to promote student achievement.

*To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.*

*In the absence of their assigned student, the Student Assigned Nurse may be required to perform essential functions of the Health Center Nurse/LPN.*

### **ESSENTIAL FUNCTIONS:**

- Provides all nursing medical treatments as prescribed by a physician for the medical care necessary in a school setting for one or more students.
- Administers treatment as (not all inclusive), tracheotomy care, gastrostomy feedings, administration of medications, respirator care to include suctioning.
- Cares for and assists students with developmental delays, medical conditions such as seizures, Cerebral Palsy, personal, and activities of daily living procedures at school, in the classroom, and during transport of the student.
- Accompanies student to all classes and lunch.
- Assists and supports the educational team during the school day.
- Is responsible for the accurate documentation and keeping the LPN/Health Center Nurse at their site informed of any medical health status changes.
- Assists the LPN/Health Center Nurse or School Nurse in the health office as needed in the absence of the student.
- Reports to RN or principal (if an LPN).
- Attends IEP meetings.
- Attends assigned in-services.
- Carries out first aid and emergency care procedures, as required.
- Administers medication according to applicable laws and school district policies.
- Provides training for those who assume this duty in the absence of a nurse.

- Establishes and maintains accurate and complete health records, including cumulative health records and emergency information for students and staff members, and files required reports.
- Provides information to teachers and staff regarding observation for deviations from normal health and procedures for referring students to health office.
- Reports to parents, school personnel, physicians, clinics, and other agencies on school medical matters as appropriate.
- Contacts homes of children referred by principals and makes home visits when required.
- Carries out preventive health service programs per applicable laws, health department recommendations, and school district policies.
- Provides appropriate referrals and assists student and family to obtain and accept further medical, dental or other care. Follows up on referrals, as needed.
- Provides appropriate health counseling and consultation for students, parents, and staff.
- Provides required identification, health evaluation, service coordination (including development of health component of the IEP and/or nursing care plan) and appropriate care for chronically ill or students with disabilities.
- Provides information to appropriate staff regarding health problems of particular students.
- Orders equipment and supplies according to established procedures.
- Assists other school personnel to establish safe and sanitary conditions in the schools.
- Provides quality school nursing/health services by participating in staff training activities.
- Assists in the assessment and evaluation of current health and safety needs of students and personnel and the effectiveness of the school health program in meeting those needs.
- Carries out health and safety education activities as directed.
- Demonstrates knowledge of School Health Nursing Plan.
- Demonstrates knowledge of the Student Assigned Nurse role with the Student Support Services Department.
- Manages student record procedures.
- Assesses and manages student needs.
- Communicates with students, teachers, and parents.
- Provides health education for students and families.
- Provides health education for staff.
- Reflects on Student Assigned Nurse practice.
- Contributes to school and district.
- Grows and develops professionally.
- Shows professionalism.
- Must meet any additional specific job requirements as indicated by the school.
