POSITION SUMMARY:
To work in a partnership with students, staff, parents and the community in accordance with the district’s vision and mission to promote student achievement. Contributes to the Deer Valley Unified School District’s goal to plan and provide transition services for students with disabilities.

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

ESSENTIAL FUNCTIONS:
- Is available to drive students in a district vehicle to activities outside the school day (possible evenings and weekends) including, but not limited to, job shadows, job coaching, volunteering, and work experience.
- Participates in fiscal planning and management activities associated with interfacing (the Transition from School to Work Program with school budgets.
- Works collaboratively with the school district in hiring, supervising, and evaluating the TSW Transition Technician(s).
- Communicates regularly with school district administrators and individual school administration concerning the status of the TSW Program.
- Establishes a public relations and marketing scheme that educates administrators, teachers, parents and students to the TSW Program.
- Coordinates activities associated with the recruitment and screening of potential TSW students.
Collaborates with the TSW team on procedures necessary for determining student eligibility.

Assists the TSW team and the student in initial transition planning for eligible students.

Orchestrates transition planning with students, TSW staff, parents, school district personnel, related support services, and appropriate adult services.

Identifies needs for school and community-based instructional programs in vocational, independent living, and personal/social content areas that complement the student’s job training goals.

Identifies and analyzes student’s abilities and serves as a liaison with local community job sites and post high school colleges and universities to develop a variety of appropriate training options for participating students.

Implements a system for follow-up/support of any TSW student/client(s) that are no longer receiving services through the TSW, or whose file may be closed by Vocational Rehabilitation (VR).

Assumes a leadership role in the planning and documentation of all TSW team activities.

Attends all training seminars offered by VR and ADE regarding TSW procedures and practices, as approved by the Transition Coordinator.

Assumes responsibility for the marketing and public relations associated with TSW Program in the community, and assist statewide marketing at training seminars and conferences.

Networks with school and community personnel providing employment and transition services in accordance with the Program and the Workforce Innovation and Opportunity Act of 2016.

Establishes procedures that ensure effective case management of TSW students by Transition Technicians.

Schedules and participates in Multi-disciplinary Conferences, IEP Meetings and Parent conferences as needed or appropriate.

Develops and revises IEP’s for students as necessary.

Coordinates and schedules timely IEP meetings with appropriate related service providers.

Assumes responsibility for the IEP’s of which the teacher is assigned.

Writes compliant IEP paperwork and adheres to IEP timelines.

Collects and produces data regarding IEP progress toward goals and sends a copy of the progress towards goals home to parents on a quarterly basis.

Implements record-keeping procedures that ensure proper documentation of TSW activities and that demonstrate collaboration between VR and the School, and maintain records and reports required for compliance with State, Federal and administrative regulations.

Helps evaluate the effectiveness of the program from the perspectives of relevant stakeholders, including students, parents, employers, schools and rehabilitation counselors.

Collects data regarding programs and outcomes.
